1. KEN Update – Al, Ann and David
   - Al distributed minutes from the June 26th kickoff meeting, July 12th Coordinating Committee, Agenda from meeting July 12th
   - Representatives on the executive committee
   - Network Sub-committee (Tim Sizemore)
     a. Gathering general functional information – high level information
   - Application Layer Sub-committee
     a. Chair Miko Pattie
   - Coordinating committee is in the process of finding a Project Manager

2. NLR vs. New Network Update
   - Doyle Friskney was not present to give update on this
   - Later in the meeting, UofL representatives picked this up
     a. UofL described immediate opportunities available in Louisville at Level 3 with the local fiber
     b. Windstream has co-location at Level 3 (additional opportunities)

3. I2 Day - Mike Clark
   - Musical event probable showcase
   - Similar to the Frankfort event
   - Multi-site conference 2 or 3 sites and possibly some high schools if KEN is ready (UofK, UofL, WKU, NKU and other volunteers)
   - Web casting through CRD and possibly utilize KET resources
   - Dr. Keilkopf will be doing a session at the Barriers Conference as well as presenting here.
   - Tentative Date is Nov 17th
   - Who is going to market this to faculty (Al Lind)? Undecided at this time. Perhaps someone from SAALK. Arne Almquist agreed to take it to that group.   KYVU should also have some concern in this area.

4. Breaking Down Barriers Conference – Mike Clark
   - Tim Smith and Dr. Kielkopf will present
   - Possible Panel Discussion on I2
     a. How does KEN play
     b. Call for participation on Nov 17th I2 event
     c. Future implications of broadband
     d. New Network (NEWNET, I2 replacement for Abilene) ?
